Nolin Lake State Park

“Top off” your visit to Mammoth Cave National Park with a trip to Nolin Lake State Park, nestled among the rolling hills of south central Kentucky. A campground and a 5,795-acre lake make Nolin the site for aboveground recreation. Nolin Lake is popular with boaters and fishermen alike, who come to enjoy the miles of scenic shoreline and cool, clear waters.

Camping: 32 camp sites with water and electricity, 20 primitive sites, a restroom/shower building, laundry facilities and dump station. A playground is located by the sites. Three sites have been adapted for the disabled. Reservations on-line or at 1-888-4KY-PARK.

Fishing & Boat Ramp: Variety of species such as bass, walleye, catfish and crappie. Launching ramp and courtesy dock on the park.

Country Store: Camp store and restroom facility 100 feet from picnic shelter and 1,000 feet from beach area.

Beach: A sand beach curves along the shore of the lake. There are no bathhouse facilities.

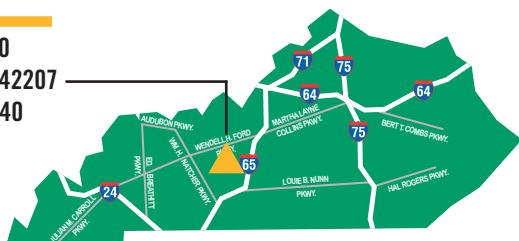

Picnicking: Picnic tables and grills in the picnic area.
